Re: Board Approval | Slate of Nominees 2012

Dear Board:

Having received and now reporting to the Steel Erectors Association of America (SEAA) Board of Directors that our office has counted and tabulated votes to confirm a majority approval on the slate put forth by the Nominating Committee by the (seated) Board of Directors. The slate is recommended to the membership for election by December 16, 2011.

Prior to the voting process, SEAA members will have the opportunity to review, on the Association's website, the board-endorsed slate and download the nomination application/petition form from our website in a [PDF](#).

Applications for director positions are solicited through an open call to all SEAA members in good standing. In accordance with our bylaws, we will prepare an electronic notice addressed to the designated voting representative for each member company giving notice of the election and deadlines. This notice will be posted on the Association's website, whereby it the Nomination By Petition in a downloadable [PDF](#).

Not later than forty-five days (45) days prior to the annual meeting (March 10, 2012) the ED will mail an acceptable proxy form and a ballot listing the names of all applicable nominees and the election deadline, as submitted by the Nominating Committee, and by members' petition, to the voting membership for vote.

The Association Executive Director and an independent auditor shall check each ballot returned against the roster of voting members in good standing and shall count and tabulate the ballots and prepare a written report on the results for presentation to the Board, together with all ballots received, for certification at the next Board meeting. Ballots must be received no later than 30 days prior to the annual meeting of members in order to be validated and accepted. Said ballots must include member's company name and authorized signature to be considered valid.
