Try our products today!

Happy Welders

Duramax offers direct-to-site shipping and small packages, starting at 10lbs

Quality Product

7018-H4R lasts longer due to super-low hydrogen count (H4) and moisture resistant coating

Lower Pricing

Same quality as Hobart XLM and Lincoln Excalibur – but costs much less!

Our gas distributor always back orders our hard-to-get items. Duramax stocks them for us on their delivery vans! Customer for life!
