SUPPORTING SAFETY, EDUCATION, TRAINING

This fundraiser golf tournament supports Craft Training Grants and other Safety and Education Projects. More than \$40,000 has been awarded in grants and for development of training videos. In addition, World Class winners of the Craft Training Excellence Award each receive \$1500 for future craft training programs.

In 2021, the annual tournament was renamed in memory of Dave Schulz, SEAA President (2019-2020), who was instrumental in organizing the event for many years. As Vice President of Schulz Iron Works, Dave was passionate about safety and was a big supporter of the SEAA/NCCER Ironworker Craft Training Program.

The Golf Club at Omni Interlocken Hotel takes golfing in the Denver area to a whole new level. The breathtaking 27-hole championship golf course consists of three individual regulation 9-hole courses. Designed by Graham & Panks International, (a partnership between David Graham, 1981 U.S. Open Champion and PGA Senior Tour player, and Gary Panks), Omni Interlocken Golf Course was ranked third in the "Best Resort Courses of Colorado" survey.
